* if there are multiple answers for a prefix (example - **ösánöe's** / **esánöe's**) learners should be aware of both answers since there is the possibility of hearing either used depending on speaker preference.

The words using prefixes involving “she” or “her” -- **yenőe’s**, **gonőe’s**, **kenőe’s**, **shenőe’s**, **shagónőe’s**, **öknőe’s**, **ösánőe’s/ esánőe’s**, **hőwónőe’s**, **ödáhnőe’s/ gonőe’s** – have additional meanings. They can also mean: “someone,” – anyone, an unknown or unspecified person – or “they” or “them” an unknown or unspecified group of people. So, **yenőe’s** has three possible meanings:

- she (a known, identifiable, female person) likes it;
- someone (an unknown or unspecified person) likes it
- they (an unknown or unspecified group of people) like it

Likewise, **gonőe’s** has three possible meanings:

- it likes her (a known, identifiable, female person)
- it likes someone (an unknown or unspecified person)
- it likes them (an unknown or unspecified group of people)

Words using purple prefixes, like **kenőe’s** also have three possible meanings:

- I like her (a known, identifiable, female person)
- I like someone (an unknown or unspecified person)
- I like them (an unknown or unspecified group of people)

And, **gonőe’s / ödáhnőe’s**, then, has nine possible meanings:

- | | | |
|---------------------|-------------------------|---------------------|
| ● she likes her | ● someone likes her | ● they like her |
| ● she likes someone | ● someone likes someone | ● they like someone |
| ● she likes them | ● someone likes them | ● they like them |

The “male” prefixes involving more than one person -- **hinőe’s**, **hadínőe’s**, **hodínőe’s** – has an additional meaning. They can also mean a mixed group of males and females. So, **hinőe’s** has two possible meanings:

- two males like it
- one male and one female like it

Similarly, **hadínőe’s** has two possible meanings:

- a group of three or more males like it
- a mixed group of three or more males and females like it

Likewise, **hodínőe’s** has two possible meanings:

- it likes a group of two or more males
- it likes a mixed group of two or more males and females

The “female” prefixes involving more than one person -- **kninőe’s**, **wadínőe’s**, **odínőe’s** – has an additional meaning. They can also mean a group of animals. So, **kninőe’s** has two possible meanings:

- two females like it
- two animals like it

Similarly, **wadínőe’s** has two possible meanings:

- a group of three or more females like it
- a group of three or more animals like it

Likewise, **odínőe’s** has two possible meanings:

- it likes a group of two or more females
- it likes a group of two or more animals

The “it” prefix-- **ganőe’s**– has an additional meaning. It usually refers to a living creature -- an animal, bird, fish, insect, etc.
